Welcome to March!

Message from the President:

Spring is coming...spring is coming!!!!

Update From the Somerset County Library System (abridged):

All Programs Cancelled Monday, March 16 through Tuesday, March 31 at SCLSNJ in Response to COVID-19

Since our Libraries are a cornerstone of our communities, SCLSNJ is continuing to monitor information shared from County, State, and National health organizations about the coronavirus (COVID-19). The safety of our customers and staff is always our first priority. Beginning Monday, March 16 through Tuesday, March 31, the Library System will be canceling all programs for adults, teens, families, and children. The Library System will continue to evaluate and communicate future plans as information becomes available.

"While there has been no reported community spread of the coronavirus in Somerset County, we are being cautious on behalf of our customers and staff," said County Library Administrator Brian Auger. "We want to do our part to help our health care community manage the situation by reducing opportunities for large groups to congregate."

The Library System will continue to take steps to maintain the health and safety of our customers and staff, by:

- Removing all toys from our youth services departments.
- Ensuring custodial staff focus on cleaning and sanitizing hard surfaces.
- Encouraging staff who are sick to stay at home.

At this time, all 10 branches will maintain standard operating hours. Important to note, these are temporary changes for the time during which there is potential risk of community transmission of COVID-19. The Library System appreciates the support of our community members during this time. Important Announcement

Please note the new meeting date for **April** and the change of location to the **Warren** branch of the SCLS.

Meetings and times will be updated as necessary, due to community concerns.

Nancy Boney was Our March (Hopefully Next?) Demo Artist!

Nancy will give tips on how to glue collage with matte medium, including how to avoid wrinkles. She will suggest media and tools to spice up your art from crayons to house paint to hand made brushes. She will also demonstrate how to create good design in your paintings informed by her training as a design student in college and recent online classes with Jane Davies.

Nancy's working life has included being Adult Program Director at Reeves Reed Arboretum in Summit. Later she served as Executive Director of the Printmaking Center of New Jersey (now called Frontline Arts) in Branchburg. After retirement she worked at Duke Farms as a tour guide and became a Rutgers trained Master Gardener.

Nancy Boney is currently an artist working in acrylic and collage and exhibits locally. In years past she was a fiber artist creating commissioned works for churches and hospitals.
